Decision of Administrative Law Judge: Affirmed and Adopted.

OPINION AND ORDER

The claimant appeals from a decision of the Administrative Law Judge filed February 18, 2003.

The Administrative Law Judge entered the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction over this claim;
2. The stipulations agreed to by the parties and set forth above are hereby accepted as fact.
3. The claimant failed to prove by a preponderance of the evidence that she sustained an injury arising out of and in the course of her employment.
4. The claimant failed to prove by a preponderance of the evidence the elements necessary to establish a compensable injury.
5. The respondents controverted this claim in its entirety.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and

conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
