Decision of Administrative Law Judge: Affirmed and
Adopted.

OPINION AND ORDER

Claimant appeals an opinion and order of the
Administrative Law Judge filed July 16, 2002. In said
order, the Administrative Law Judge made the following
findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation
Commission has jurisdiction over this
claim.
2. The stipulations agreed to by the
parties and set forth above are hereby
accepted as fact.
3. The claimant failed to sustain her
burden of proving by a preponderance
of the evidence that she sustained
an injury arising out of and in the
course of her employment.

4. The claimant failed to sustain her burden of establishing by a preponderance of the evidence the elements necessary to prove a compensable injury.

6. The respondents controverted this claim in its entirety.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the July 16, 2002 decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
