OPINION AND ORDER

The claimant appeals from a decision of the Administrative Law Judge filed May 21, 2003.

The Administrative Law Judge entered the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction of this claim;
2. On May 1, 2002, the relationship of employee-employer-carrier among [sic] the parties.
3. On May 1, 2002, the claimant earned wages sufficient to entitle him to

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.
