OPINION AND ORDER

The claimant appeals from a decision of the
Administrative Law Judge filed February 4, 2003.

The Administrative Law Judge entered the following
findings of fact and conclusions of law:

1. The Wren Law Firm is not entitled to a fee in this matter since, at no time during their representation was any aspect of the claim controverted.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
