Decision of the Administrative Law Judge: Affirmed and
Adopted.

Opinion AND ORDER

This case comes on for review by the Full
Commission on appeal by claimant from an opinion filed
herein by an Administrative Law Judge on October 1, 2003.

The Administrative Law Judge entered the following
findings of fact and conclusions of law:

1. There are no "objective findings"
in the medical evidence to support
the claimant's claim of
compensability which she contends
arises out of and during the course
and scope of her employment on
December 20, 2002. In addition,
the one objective finding noted in
the medical evidence which was
fluid in the left ear is not

causally related to the claimant's
fall of December 20, 2002.

In this case, we have reviewed the record de novo, weighing the evidence impartially and without giving the benefit of the doubt to either party. Ark. Code Ann. § 11-9-704(c) and Fowler v. McHenry, 22 Ark. App. 196, 737 S.W.2d 663 (1987). It is our opinion that the decision of the Administrative Law Judge is correct and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct, and they are, therefore, adopted by the Full Commission. Accordingly, we affirm and adopt the decision of the Administrative Law Judge filed October 1, 2003, and this claim is denied and dismissed.

IT IS SO ORDERED.
