Decision of the Administrative Law Judge: Affirmed and
adopted.

OPINION AND ORDER

The claimant appeals from a decision of the
Administrative Law Judge filed January 15, 2004. The
Administrative Law Judge entered the following findings of
fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission
has jurisdiction of this claim.
2. On August 31, 2001, the relationship of
employee-employer-carrier existed between the
parties.

3. The claimant is entitled to the maximum compensation rate for the year 2001.
4. This claim is barred by the statute of limitations.

We have carefully conducted a de novo review of the entire record herein, and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct, and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
