**OPINION FILED NOVEMBER 30, 2005**

Upon review before the FULL COMMISSION, Little Rock, Pulaski County, Arkansas.

Claimant is not represented by counsel but appears *pro se*.

Respondent represented by HONORABLE CAROL L. WORLEY, Attorney at Law, Little Rock, Arkansas.

Decision of Administrative Law Judge: Affirmed and Adopted.

**OPINION AND ORDER**

The claimant appeals from a decision of the Administrative Law Judge filed February 4, 2005.

The Administrative Law Judge entered the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction of this claim, in which the employer-employee relationship existed between the claimant and respondent No. 2, C & S Trucking.

2. Streeter Logging has no liability in this case.

3. The claimant has failed to prove by a preponderance of the credible evidence that she sustained a compensable injury, caused by a preponderance of the evidence specific incident arising out of and in the course of her employment which produced physical bodily harm, supported by objective findings, requiring medical treatment or producing disability, pursuant to Ark. Code Ann. §11-9-102.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.
