OPINION FILED APRIL 29, 2005

Upon review before the FULL COMMISSION in Little Rock,
Pulaski County, Arkansas.

Claimant represented by the HONORABLE GARLAND L. WATLINGTON,
Attorney at Law, Jonesboro, Arkansas.

Respondents represented by the HONORABLE JOHN P. TALBOT,
Attorney at Law, Pine Bluff, Arkansas.

ORDER

Presently before the Commission is respondents' motion to supplement the record. After careful consideration of respondents' motion, and all other matters properly before the Commission, we find that the respondents' motion must be denied.

In their motion, respondents state that after the hearing, the court reporter prepared a record of the proceedings, but inadvertently omitted page 4 of respondents' exhibit. Also, respondents state that page 3 of the record is

a "smeared" copy. Therefore, respondents seek to supplement the record with page 4 and a legible copy of page 3.

Upon review of the copies of page 3 and page 4 in the record and the pages that respondents seek to supplement, the Full Commission finds that the official record does contain a page 4 and the page 3 that respondents seek to supplement is no different from the copy in the record.

Accordingly, we find that the respondents' motion to supplement the record must be and hereby is, denied.

IT IS SO ORDERED.
