**OPINION AND ORDER**

The claimant appeals from a decision of the Administrative Law Judge filed August 25, 2005.

The Administrative Law Judge entered the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction of this claim.
2. On September 6, 2002, the relationship of employee-employer-carrier existed between the parties.

3. The claimant sustained a compensable injury to her left wrist on September 6, 2002.

4. Medical expenses have been paid to July 02003.

5. The claimant is entitled to a compensation rate based on a forty-hour work week working at \$7.05 per hour entitling her to an average weekly wage of \$282.00.

6. Based on Arkansas law, this claim should be barred by the statute of limitations. See Ark. Code Ann. §11-9-702(b)(1).

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.
