TRIENCE M. JACOBS, EMPLOYEE	CLAIMANT
SOUTH ARKANSAS DEV. CTR., EMPLOYER	RESPONDENT
COMMERCE & INDUSTRY INSURANCE CO., INSURANCE CARRIER	RESPONDENT

ORDER FILED APRIL 30, 2007

Upon review before the FULL COMMISSION in Little Rock, Pulaski County, Arkansas.

Claimant represented by the HONORABLE GREGORY S. GILES, Attorney at Law, Texarkana, Arkansas.

Respondents represented by the HONORABLE CAROL LOCKARD WORLEY, Attorney at Law, Little Rock, Arkansas.

Decision of Administrative Law Judge: Reversed.

OPINION AND ORDER

In the above-styled matter, the Arkansas Court of Appeals has reversed and remanded to the Full Commission on direct appeal and has affirmed the Full Commission on cross-appeal. *Jacobs v. South Arkansas Development Center*, CA06-924 (March 14, 2007). The Court of Appeals has affirmed the Commission's finding that the claimant proved she was entitled to additional medical treatment and temporary total

disability for her compensable left knee injury. The Court has reversed the Commission's finding that the claimant did not prove she sustained a compensable injury to her low back.

Therefore, in accordance with the mandate from the Court of Appeals, the Full Commission reverses the administrative law judge's finding that the claimant did not prove she sustained a compensable injury to her low back. We find that the claimant proved she sustained a compensable low back injury pursuant to the relevant provisions of Act 796 of 1993.

IT IS SO ORDERED.
