Decision of Administrative Law Judge: Affirmed and Adopted.

OPINION AND ORDER

The claimant appeals from a decision of the Administrative Law Judge filed February 5, 2009.

The Administrative Law Judge entered the following findings of fact and conclusions of law:

1. The Workers' Compensation Commission has jurisdiction of this claim in which the relationship of employer-employee-carrier existed among the parties at which time the claimant sustained a compensable scheduled injury. Medical expenses, temporary total disability benefits and a 30% rating were paid in 1963.
2. This claim for additional benefits filed in 2007 is barred by the statute of limitations.

3. The respondents are directed to pay the court reporter, Celia Jamison, within thirty days of receipt of her bill.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Thus, we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
