ORDER FILED DECEMBER 11, 2009

Upon review before the FULL COMMISSION, Little Rock, Pulaski County, Arkansas.

**ORDER**

This matter is currently before the Commission on the claimant's Motion to Correct and Supplement the Record. After consideration of claimant's motion, respondents' response thereto and all other matters properly before the Commission, we find that claimant's motion must be and hereby is granted.

At the hearing held on May 29, 2009, claimant introduced into evidence with no objection from respondents a 23 page exhibit composed of medical reports and prefaced with an exhibit index. The official transcript does not contain this exhibit, but rather an exhibit without the exhibit index or page numbers. Claimant hereby moves to correct the record and supplement the proper exhibit no. 1 with the exhibit index and numbered pages. Respondents do not object. Accordingly, we

hereby find that claimant's motion should be and hereby is granted. We order that claimant's Exhibit No. 1 as attached to claimant's motion be blue backed and made a part of the record on appeal.

IT IS SO ORDERED.
