Decision of Administrative Law Judge: Reversed.

OPINION AND ORDER

In the above-styled matter, the Arkansas Court of Appeals has reversed and remanded for an award of benefits. *Kent v. Single Source Transp., Inc.*, CA08-42 (Sept. 17, 2008). Pursuant to the remand from the Court of Appeals, and based on our *de novo* review of the entire record, the Full Commission finds that the claimant proved he was entitled to additional medical treatment, including surgery

performed by Dr. Contreras in April 2005. We find that the claimant proved he was within his healing period and was totally incapacitated from earning wages from April 18, 2005 through June 7, 2005. The Full Commission therefore affirms the opinion filed by the administrative law judge on October 4, 2005. The claimant's attorney is entitled to fees for legal services in accordance with Ark. Code Ann. §11-9-715(Repl. 2002). For prevailing on appeal to the Full Commission, the claimant's attorney is entitled to an additional fee of five hundred dollars (\$500), pursuant to Ark. Code Ann. §11-9-715(b) (Repl. 2002), if the additional fee has not yet been paid.

IT IS SO ORDERED.
