NUNC PRO TUNC ORDER

The Full Commission, on its own motion, finds that a clerical error exists in the Opinion and Order filed July 28, 2009. The Opinion and Order reflects an incorrect sentence in the last paragraph on page 8. The Full Commission finds that the sentence in the last paragraph on

page 8 of the Opinion and Order should read as follows: As we find that the claimant has failed to prove by a preponderance of the evidence she is entitled to a permanent anatomical impairment, we are constrained to find that the claimant is not entitled to wage loss disability. The Full Commission is authorized to correct clerical errors and this is a proper case for exercise of that authority. Ark. Code Ann. § 11-9-713(d) (Repl. 1996).

The Opinion and Order filed on July 28, 2009, is hereby modified only to correct the sentence in the last paragraph on page 8. In all other respects, the Opinion and Order shall remain the same and shall not be otherwise affected.

IT IS SO ORDERED.
