Upon review before the FULL COMMISSION in Little Rock,

Respondents represented by the HONORABLE DAVID LANDIS,
Attorney at Law, Jonesboro, Arkansas.

Decision of Administrative Law Judge: Affirmed and
Adopted.

OPINION AND ORDER

Claimant appeals an opinion and order of the
Administrative Law Judge filed April 8, 2009. In said
order, the Administrative Law Judge made the following
findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction over this claim.
2. The stipulations agreed to by the parties are hereby accepted as fact.
3. The claimant has failed to prove, by a preponderance of the evidence, that she is entitled to additional workers' compensation benefits.

4. The claimant has failed to prove, by a preponderance of the evidence, that she is entitled to additional medical treatment related to her August 13, 2007, injury when she sustained a laceration to her left leg.
5. The claimant has failed to prove, by a preponderance of the credible evidence, that she is entitled to additional medical treatment for the October 7, 2007, injury to her head.
6. The claimant has failed to establish, by a preponderance of the evidence, that her physical problems and need for medical treatment if any, are causally related to injuries sustained while working for Arkansas Glass Container Corporation.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the April 8, 2009 decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.
