NUNC PRO TUNC ORDER

The Full Commission, on its own motion, finds that a clerical error exists in the Opinion and Order filed January 27, 2010. The Opinion and Order reflects, on page 25, "The evidence in the present matter demonstrates that the necrotic condition in the claimant's hips was known to the

claimant or his employer at the time of the December 2, 2003 compensable injury." The Full Commission finds that the Opinion and Order should reflect, "The evidence in the present matter demonstrates that the necrotic condition in the claimant's hips was not known to the claimant or his employer at the time of the December 2, 2003 compensable injury." The Full Commission is authorized to correct clerical errors and this is a proper case for exercise of that authority. Ark. Code Ann. § 11-9-713(d) (Repl. 1996).

The Opinion and Order filed on January 27, 2010, is hereby modified only to correct the above mentioned sentence. In all other respects, the Opinion and Order shall remain the same and shall not be otherwise affected.

IT IS SO ORDERED.
