Decision of Administrative Law Judge: Affirmed and  
Adopted.

## OPINION AND ORDER

Claimant appeals an opinion and order of the  
Administrative Law Judge filed October 9, 2009. In said  
order, the Administrative Law Judge made the following  
findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction over this claim.
2. The stipulation set forth above is reasonable and is hereby accepted.

3. Issues 1-6 are *res judicata* and are also barred by the Law of the Case Doctrine.
4. Because of the above finding, the issue concerning whether the statute of limitations has run is moot and will not be addressed.
5. This claim is hereby dismissed *with prejudice*.

We have carefully conducted a de novo review of the entire record herein and it is our opinion that the Administrative Law Judge's decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the October 9, 2009 decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
